Which PESTLE elements will actually help / hinder us?

What should I not touch?

How do we park unworkable initiatives (and keep everyone enthusiastic)?

Which products will never fly?

How to speak more candidly to each other?

Where is the Blue Ocean?

Where will we really fail?

Is it time to stop investing in this asset?

Which competitor offering is the most dangerous?

What leadership attributes do we really need to develop?

Why are our customers choosing us?

How quickly will this investment pay off?
